

2013 ELECTRICAL CODE COURSE (2012 C.E.C.)

This 51 hour (17 x 3 hour classes) electrical code course is specifically designed for journeyman electricians that are preparing to write the BC Safety Authority - "B" Field Safety Representative (FSR) certification examination and those wishing to update their current electrical knowledge. 4th year electrical apprentices are also eligible for taken this course.

The code course will cover the 44 sections of the 2012 Canadian Electrical Code plus the accompanying BC Amendments. The Electrical Safety Regulations, Safety Standards General Regulations, Safety Standards Act, Electrical Directives and Information Bulletins, will also be covered in the course. Those wishing to write the "A" – FSR exam will be provided with additional code reference materials, work sheets and a mock "A" exam in preparation for writing the BC Safety Authority "A" FSR exam.

Class size will be limited to 20 students and is expected to fill quickly so early enrollment is encouraged.
