

# ELECTRICAL FIELD SAFETY REPRESENTATIVE (FSR)

This 51 hour code refresher course prepares qualified electricians to write their Field Safety Representative (A, B, or C ticket) exam. The course is also excellent for those electricians, technologists or engineers that merely want to refresh their knowledge and update their skills to the latest edition of the code.

The course and instructor are recognized by the BC Safety Authority. Information pertaining to the eligibility requirements for writing the FSR exam (cost not included as part of this program) should be obtained from the BC Safety Authority website at [www.safetyauthority.ca](http://www.safetyauthority.ca)
