

ELECTRICAL FSR COURSE

Canadian Electrical Code 2015, 23rd Edition Part 1 2015 Edition

This is a recognized course for Electrical Personnel to become eligible to apply for the Technical Safety BC “Field Safety Representative” (FSR), Electrical Examination in Class “A”, “B” or “C”.

Tests are given on all required sections of the Code and Legislative Regulations with a final exam covering all course content. A course manual will be supplied.

Students must supply their own 2015, 23rd Edition of the Canadian Electrical Code Book. FSR “A” students must supply their own CSA 22.3 NO. 1-15 Overhead Systems Manual.

Schedule:

Saturdays and Sundays 8:00 – 4:00

March 10, 11, 17, 18, 24, 25.

Cost of course \$750.00
