

Updated MANDATORY Covid-19 Rules

Minimum site requirements are as follows:

All personnel are required to **conduct a daily self-assessment** (see sample on page 2), prior to coming to work.

If you're experiencing any symptoms related to **COVID-19 you must not go to work.**

1. *Remain in your room/home*
2. *Contact your supervisor*
3. *Contact ISOS/Medcor medical personnel and wait for further instructions from medical staff*
4. **Do NOT go to the medical clinic**

Face coverings MUST be on your person at all times and worn:

- In common areas of offices and break trailers
- In common areas at Cedar Valley Lodge, including bag-up area and food lines
- On buses at all times and while waiting in bus lines
- On all charter and commercial aircrafts, as well as within the airport security areas
- In medical facilities
- Inside light duty vehicles when there is **more than 1 person** inside the vehicle

Personnel are to respect and follow 2m physical distancing at all times when possible.

- **Hand Sanitizer / hand washing stations** must be used prior to entering dining halls or bag up rooms.
- **Cleaning protocol and cleaning frequency** must be maintained at all times in accordance with JFJV guidance documents, including the COVID-19 Safety Plan.
- **Vehicles** must be sanitized after every use.
- **Shared lunchroom tables and chairs** must be cleaned and sanitized after every use, including meeting rooms.

Failure to comply with these rules will result in corrective actions, which may include denial of access to the project site and facilities.

Below is a sample of a Daily Self-Assessment.

Please follow your company's Covid-19 protocols.

Contractors/sub-contractors may have additional measures that employees must adhere to, based on their own risk assessments.
